Anti-India propaganda on Cyber space sites

† 4474. SHRI P. K. MAHESHWARI: Will the Minister of INFORMATION TECHNOLOGY be pleased to state:

(a) whether it is a fact that Pakistan and other anti-India people have filled absurd talks in more than five hundred cyber space sites to use them as a propaganda against India;

(b) if so, whether National Cyber Crime Committee has drawn Government's attention thereto;

† Original notice of the question was received in Hindi.

(c) if so, the number of such groups identified so far by Government and the details thereof; and

(d) what concrete steps have been taken by Government to check it?

THE MINISTER OF INFORMATION TECHNOLOGY (SHRI PRAMOD MAHAJAN): (a) to (d) The Government is aware that Pakistan and other anti-India people are using WEB sites as medium for propaganda against India.

Internet is a conglomeration of networks having presence in over 200 countries. Hence it is difficult to exactly identify the location of a particular group, involved in such activities. However, from the messages of the sites, and from international reports, it has been identified that groups such as GFORCE Pakistan and Pakistan Hackerz Club (PHC) may have been involved.

The Information Technology Act, 2000 has adequate provisions under para nos. 65 and 66 of Chapter XI to deal with cyber crimes such as hacking and tampering with computer source documents.

The Government has issued the security guidelines for individual/ internet users in the Ministries/Departments of the Government. The Schedule II of the Rules of IT Act, 2000 also includes IT Security guidelines.

FDI in information sector

4475. SHRI B. J. PANDA: Will the Minister of INFORMATION TECHNOLOGY be pleased to state:
